Notice to Proceed with Permitting Process

Dear Mr. Fike:

Please consider this as your formal NOTICE TO PROCEED FOR THE PERMITTING PROCESS. This is for permitting only and does not authorize start of work and therefore has no effect on the established price of The Work. This is only issued to be used to expedite the construction process.

Notice to Proceed (permitting) - Begin permit processing

04/22/19

After you have secured all required building permits, immediately advise the FWC Project Manager in writing with photo copies of the required permit approvals.

Contract Manager for FWC will be Hugh McArthur.

Sincerely,

---

Hugh McArthur, FWC Contract Manager
