

Florida Restoration Area

Carpenter Creek Headwaters Park Amenities

PROJECT DESCRIPTION

This project includes actions to provide and enhance recreational opportunities through the construction of a public park at the headwaters of Carpenter Creek. Constructed amenities would include a trail and elevated boardwalk around the creek and lake with educational signage, paddle-craft launch, passive recreation area, and a parking area. The project is a companion to the Carpenter Creek Headwaters Water Quality Improvements project. The Florida Department of Environmental Protection would be the implementing Trustee for this project.
