

Florida Restoration Area

Joe's Bayou Recreation Area Improvements

PROJECT DESCRIPTION

This project includes actions to improve access to the existing boat ramp, construct new recreational amenities (paddle-craft launch, restroom, fishing pier, walking trails), and enhance and restore the topography and natural resources (wetland, saltmarsh and upland restoration, and a living shoreline) at heavily used Joe's Bayou Recreation Area and Mattie Kelly Park and Nature Walk. The Florida Department of Environmental Protection would be the implementing Trustee for this project.
