

Florida Restoration Area

Pensacola Beach Reclaimed Water System Expansion

PROJECT DESCRIPTION

This project aims to reduce the discharge of nutrients and other pollutants into Santa Rosa Sound by expanding the Emerald Coast Utilities Authority Pensacola Beach Reclaimed Water System. This project includes making additional reclaimed water available to the Santa Rosa Island Authority for irrigation of rights-of-way and making reclaimed water available for irrigation of commercial and residential areas on Santa Rosa Island. The Florida Department of Environmental Protection would be the implementing Trustee for this project.

RESTORATION TYPE

Water Quality

ESTIMATED COST

\$4,683,404
