

Florida Restoration Area

Lincoln Park Boat Ramp and Dock Improvements

PROJECT DESCRIPTION

This project would replace existing recreational infrastructure at Lincoln Park in Valparaiso. This project would enhance/increase recreational fishing opportunities by replacing the single-lane boat ramps with one two-lane ramp and a central pier with two access docks, improving parking, and installing monofilament recycling bins. The Florida Fish and Wildlife Conservation Commission would be the Implementing Trustee for this project.

RESTORATION TYPE

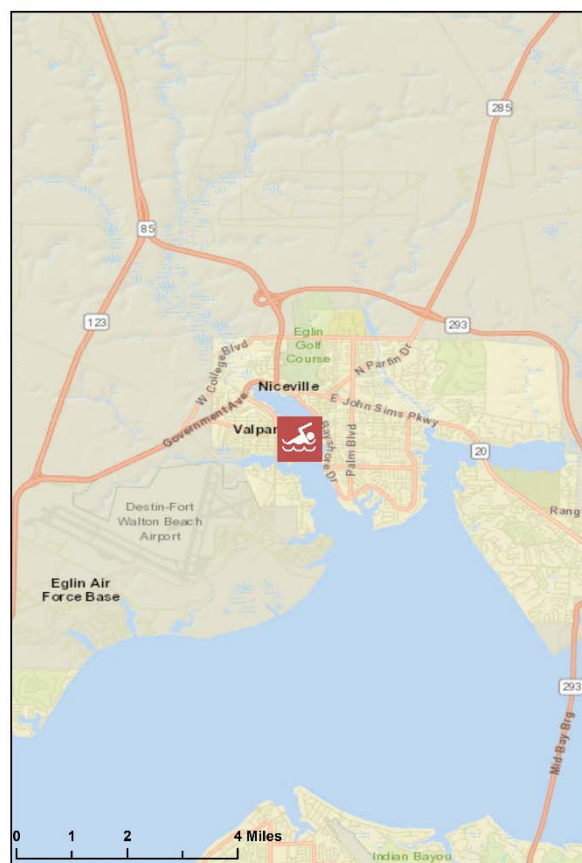

Provide and Enhance Recreational Opportunities

ESTIMATED COST

\$457,500
