

Florida Restoration Area

St. Marks National Wildlife Refuge Coastal Trail Connection, Spring Creek to Port Leon

PROJECT DESCRIPTION

This project includes actions to provide and enhance recreational opportunities through improving access to and completing the Florida National Scenic Trail at St. Marks NWR, a nationally recognized resource. This includes construction of a trail segment, two boardwalks and puncheon, infrastructure improvements in Port Leon Wilderness including small-span bridges or boardwalks, suspension bridge, and interpretive materials. The U.S. Department of Agriculture would be the implementing Trustee for this project.

RESTORATION TYPE

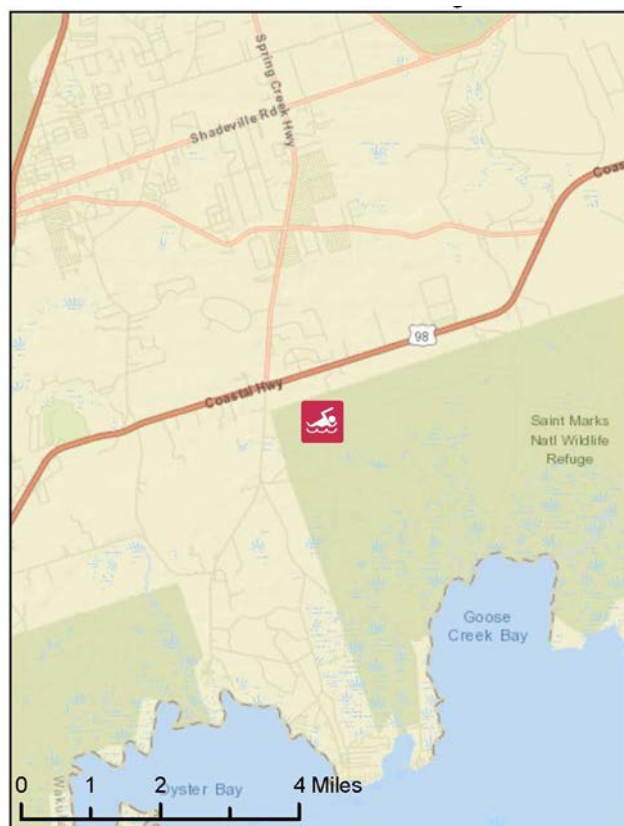

Provide and Enhance Recreational Opportunities

ESTIMATED COST

\$1,200,000
