RE: Big Bend Swamp / Holopaw Ranch Florida Forever Project Modification
Osceola County, Florida

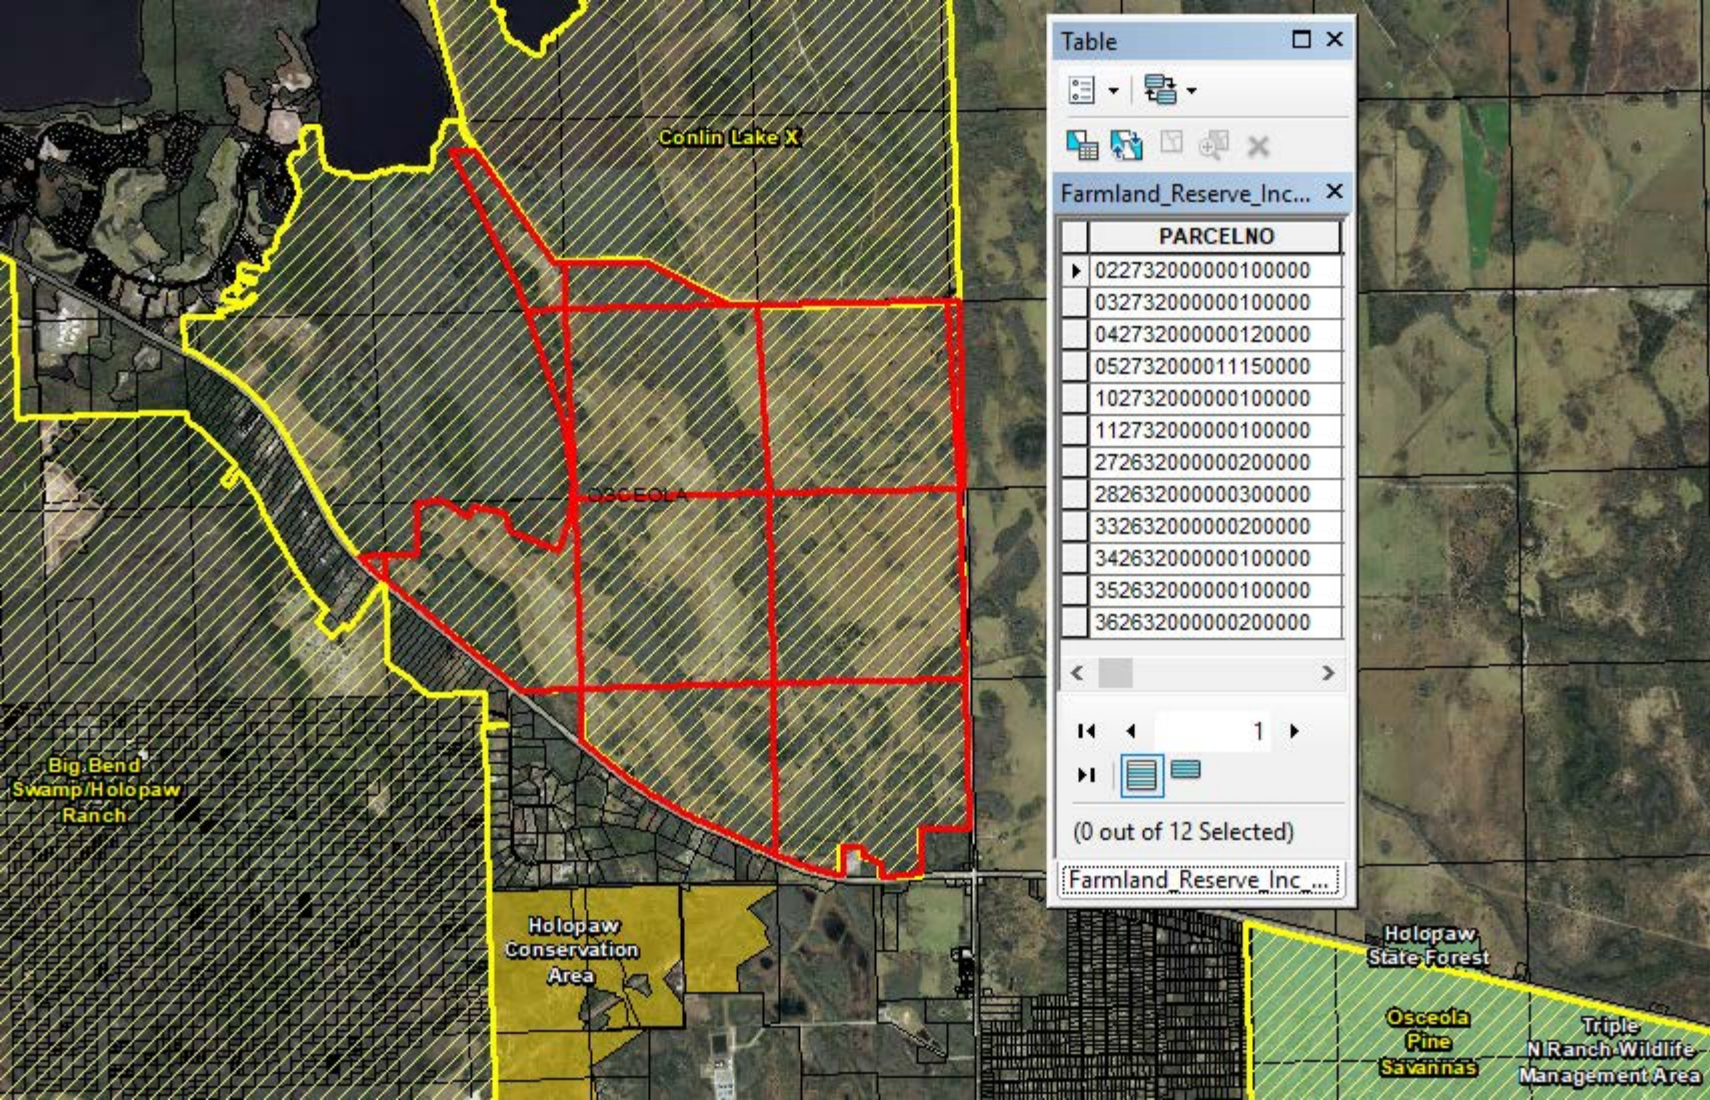

Dear Mr. Spaulding:

Farmland Reserve, Inc. purchased approximately 4,242 acres of land in Osceola County from Harmony Florida Land LLC on November 9, 2017 to utilize for cattle pasture. The Special Warranty Deed documenting ownership of the property is included as Exhibit 1. This land had previously been added to the Big Bend Swamp / Holopaw Ranch Florida Forever Project in 2002 by Birchwood Acres Limited Partnership. We respectfully request the portion of the project now owned by Farmland Reserve Inc. (Exhibit 2) be removed from the Florida Forever Acquisition List as we intend for the land to remain in agriculture.

Sincerely,

K. Erik Jacobsen
Vice President
