Agency Report**

Dear Ms. Seiler:

As required under your guide lines, the Osceola County Government herewith files this agency report in subject case as follows:

- 1- Osceola County reserves the right to impose mitigation of trees removed in accordance with Osceola County Chapter 10 of the Land Development Code. Mitigation will be assessed to those areas outside the existing FPL easement, such as staging areas, storage, areas needed for access and trucks maneuvering operation.
- 2- All proposed right-of-way crossings shall comply with Chapter 18 of the Land Development Code dealing with restoration, stabilization, and Management of Traffic.
- 3- Storage of industrial material on products outside the FPL easement shall comply with Osceola County Zoning regulations.
- 4- Osceola County reserves the right to comment and provide concerns on all staging areas and the impacts to adjacent lands and/or right-of-ways.
- 5- All dewatering activities and discharges shall be contained within designated and approved areas prior to discharge to open wetlands, canals, ditches, or natural water bodies.
