

**Site Certification Application
Engineering Certification Statement
Cane Island Power Park - Unit 4**

I, the undersigned, hereby certify that:

The engineering features of Cane Island Power Park – Unit 4 as described in this Site Certification Application Completeness Response, have been prepared, designed, or examined by me or individuals under my direct supervision and found to be in conformity with sound engineering principles; and,

To the best of my knowledge, this information submitted in support of the Site Certification Application is true, accurate, and complete based on reasonable techniques, estimates, materials, and information gathered and evaluated by qualified personnel; and,

To the best of my knowledge, there is reasonable assurance that the Unit 4 project described in this application, when properly operated and maintained, will comply with all applicable rules of the Department of Environmental Protection and South Florida Water Management District.
