North County Regional Resource Recovery Facility
Power Plant Site Certification No. PA 84-20
Water Quality Monitoring Plan

Dear Mr Kahn:

On behalf of the Solid Waste Authority of Palm Beach County (SWA) and in accordance with condition XIV.E. of the above referenced certification, Camp Dresser & McKee (CDM) is pleased to submit two copies of the North County Regional Resource Recovery Facility (NCRRF) proposed water quality monitoring plan for the Department's review and approval. This plan was prepared in accordance with Rule 17-701.510, Florida Administrative Code (F.A.C.), effective May 1994.

Should you have any questions or comments on this plan, please do not hesitate to contact our office.

Very truly yours,

CAMP DRESSER & MCKEE INC.
