SITING COORDINATION

Dear Mr. Halpin,

As a resident of the Northdale community in Hillsborough County, I would like to express my worry and concern over the proposed power lines that Progress Energy is planning in my neighbor. These lines would not serve our community and could greatly disrupt our health, safety, and property values.

I would like to officially state my support for the alternative route that follows State Road 54. This route follows a commercial corridor and would not affect as many residential areas.

Sincerely,

Trudy A. Chleboski
