Re: Florida Furniture Industries, Inc.

Dear Mrs. Denton:

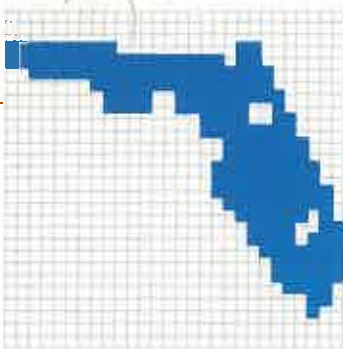

The Department of Environmental Protection has reviewed the information submitted concerning pollution control equipment at the Florida Furniture Industries, Inc. The information submitted satisfies the requirements of Florida Administrative Code Chapter 17-8. I find that the listed dust collection systems qualifies for assessment at salvage value pursuant to Section 193.621.

If you have any questions concerning this matter, I may be contacted at Suncom 277-0472, or (904) 487-0472.

Sincerely,

*Hamilton S. Oven*

Dear Mr. Oven:

Enclosed you will find the Return of Pollution Control Devices  
for:

1. Florida Furniture Industries, Inc.

Would you please review this information and advise me as to  
what meet the criteria of pollution control device(s) and should  
be assessed as such under Chapter 193.621, Florida Statutes. If  
you need any additional information, let me know.

Thank you for your assistance in this matter.

Sincerely,

(Mrs.) Marsha Denton, C.F.E.  
Office Operations Supervisor

Re.: Pollution Control Device Exemption

Putnam County 1994 Tangible Personal Property Tax

Florida Furniture Industries, Inc.

Mittauer & Associates Project No. 9110-03-1

Dear Mrs. Denton,

Please accept this letter as our written certification that the following items are pollution control devices. These items were purchased and installed at the following Florida Furniture Industries Plants during 1993.

Florida Furniture Plant No. 1 - River Street

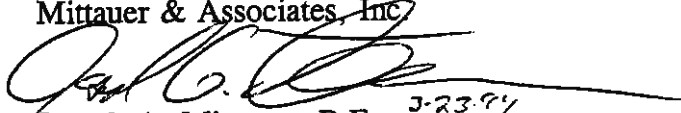

Item: Murphy Rodgers Dust Collection System  
Cost: \$2,597.00  
Function: Dust Collection System for the pattern shop.

Florida Furniture Plant No. 3 - Barge Port Industrial Park

Item: Classic Systems Dust Collection System, Grecon Spark Detection System, Dust System Electrical Work, Dust System Sprinkler System and taxes.  
Cost: \$244,544.50  
Function: Dust collection system expansion for Plant No. 3.

These items are used to collect, screen and filter wood fibers and saw dust to prevent a particulate matter discharge to the atmosphere. Please do not hesitate to call should you have any questions.

Sincerely,  
Mittauer & Associates, Inc.
