Re: Florida Rock Industries
Pollution Control Devices

Dear Mrs. Denton:

I have reviewed the material attached to your letter of October 17, 2007 regarding a pollution control device at Florida Rock Industries, Inc. (Florida Rock). In my opinion, the dust collector listed for Florida Rock is "primarily for the purpose of pollution control" and is eligible for assessment as a pollution control device pursuant to §193.621, Florida Statutes.

If there are any questions on this determination, please contact me at (850) 245-8002.

Sincerely,

Michael P. Halpin, P.E.
Administrator, Siting Office
