Return of Pollution Control Devices For Ad Valorem Tax Purposes

Florida Statutes Chapter 193.621

To the Property Appraiser Tammy Stiles, C.F.A.

County, Florida, Nassau

Return is hereby made for the assessment of the following described property under Florida Statutes as pollution control devices.

Description of Property

(1) Parkson Model 3000 Belt Press (1999) and (1) Andritz Model SMX-S7 Belt Press, both 3.0 m in width, used in tandem to stabilize and dewater industrial biosolids to a dryness suitable for hauling or incineration, usually 18-24%. The equipment achieves solids volume reduction by removing water via mechanical pressure applied across two rotating fabrics

Description of Facility

All equipment is installed as part of a portable residuals dewatering operation located at Smurfit-Stone Container Corporation, Fernandina Beach.

Name and address of owner:

LOCAL CONTRACTING GROUP, INC.
1417 SANDLER RD. #222
FERNANDINA BEACH, FL 32034

The undersigned taxpayer hereby agrees to furnish such other reasonable information as the Appraiser may request in regard to the assessment requested herein.

Taxpayer's Signature

This form must be filed with the County Property Appraiser before April 1st.
