Agency Report For Transmission Lines

Dear Mr. Bull:

This letter addresses the requirement for an Agency Report from the Southwest Florida Water Management District with respect to the transmission line portion of the above-referenced site certification modification application. The transmission lines as proposed do not present any concerns with respect to District lands or regulatory matters within the District's jurisdiction. The District has no proposed conditions with respect to this portion of the application.

If you have any questions or require any further information, please do not hesitate to contact me.

Sincerely,

Martha A. Moore
Assistant General Counsel
